NEWS RELEASE **24 November 2025**

NEOVISION WEALTH MANAGEMENT LIMITED RECOGNISED AMONG INDUSTRY LEADERS AT WEALTHBRIEFING MENA AWARD

Leading wealth management industry participant, Neovision Wealth Management Limited has been selected as a winner in the following categories at The *WealthBriefing* MENA Awards 2025.

- **External Asset Manager – Newcomer**
- **Overall Fund Manager – Regional and/or Global Reach**

Showcasing the 'best of breed' across the MENA region, the ***WealthBriefing MENA* Awards** are designed to recognise outstanding organisations—grouped by specialisation and geography—that have demonstrated true innovation and excellence over the past year, as judged by a prestigious panel of independent experts.

Each award category is highly competitive and evaluated through a rigorous, impartial process, which is what makes a *WealthBriefing* award especially coveted among industry leaders.

These awards form part of a global awards program run by ***WealthBriefing*** and its sister publications, ***WealthBriefingAsia*** and ***Family Wealth Report***, covering all major wealth management centres worldwide.

In today's challenging environment, global participants understand the significance of such recognition. Winning a *WealthBriefing* award sends a powerful message to clients—offering reassurance in the strength, stability, and sustainability of the winner's business and operating model.

Commenting on the firm's triumph, Dr. Ryan Lemand, CEO and Co-Founder of Neovision Wealth Management, said: "We are honoured to be recognised with these prestigious awards. These achievements reflect the unwavering commitment of our team to delivering exceptional service, innovative solutions, and long-term value to our clients. Being acknowledged by the *WealthBriefing* Awards is a proud moment for us and reinforces the strength of our vision and strategy."

Stephen Harris, CEO of Clearview Financial Media and publisher of *WealthBriefing*, was the first to congratulate this year's winners and highly commended firms:

"Every category winner and highly commended firm has undergone a rigorous and independent judging process and should be rightly proud of their achievements this year. We've seen a significant increase in both the number of entrants and the level of interest across all our global awards programs—and WealthBriefing is no exception."

"These awards are immensely valuable as they offer organizations and individuals the opportunity to sharpen their strategic thinking, gain independent validation, be recognized both internally and externally, and celebrate their success in style with industry peers."

"I extend my heartfelt congratulations and best wishes to all winners and highly commended firms. They are all worthy recipients and now join an elite group of wealth management professionals who represent the very best of the industry across MENA and beyond."

Winners and highly commended companies were announced on 20th November 2025 at the gala ceremony at The Armani Hotel, Dubai.
