NEOVISION WEALTH MANAGEMENT LIMITED JOINS GLOBAL ELITE WITH WEALTHBRIEFING MENA AWARD

Leading wealth management industry participant, Neovision Wealth Management Limited has been selected as a winner in the 'EAM with AuM up to US\$ 1 Billion' category at The WealthBriefing MENA Awards 2024.

Showcasing 'best of breed' in the MENA region, the awards have been designed to recognise outstanding organisations grouped by specialism and geography which the prestigious panel of independent judges deemed to have 'demonstrated innovation and excellence during the last year'.

Each of these categories is highly contested and is subject to a rigorous process before the ultimate winner is selected by the judges. It is this process that makes WealthBriefing MENA awards so prized amongst winners.

WealthBriefing **MENA** AWARDS 2024

The WealthBriefing MENA Awards are part of a global programme run by WealthBriefing and its sister publications WealthBriefingAsia and Family Wealth Report, encompassing all the world's major wealth management centers.

Participants around the world recognise that winning awards is particularly important in these challenging times as it gives clients reassurance in the solidity and sustainability of the winner's business and operating model.

Commenting on the firm's triumph, Dr. Ryan Lemand, CEO and Co-Founder of Neovision Wealth Management, said: "I am incredibly proud of the progress we have made in such a short time. Our firm was founded on the principles of innovation, client-centricity, and professionalism—values that have been the cornerstone of our success. This recognition is not only an honor but also a significant motivator for our team as we continue to strengthen our foundation. Neovision is a homegrown UAE venture, built without institutional support or grants from any government or non-government entities. It was built with my resources and that of my colleagues, some of whom are partners. I take great pride in demonstrating that a homegrown regulated financial institution can thrive in the UAE without external support."

Stephen Harris, ClearView Financial Media's CEO, and publisher of Wealthbriefing, was first to extend his congratulations to all the winners "Every category winner and highly commended firm has been subjected to rigorous and independent judging process and be rightly proud of the success they have achieved this year. "We have seen a marked increase in entrants and interest in all our global awards programmes and Wealthbriefing MENA is no exception. These awards are so beneficial as they give organisations and individuals the opportunity to clarify their strategic thinking, have it independently validated, be recognized internally and externally and to celebrate in style with their peers.

I offer my congratulations and best wishes for the future to all winners and highly commended firms - they are all worthy recipients who join the elite list of wealth management professionals who form global elite of *Wealthbriefing* MENA winners".

Winners and highly commended companies were announced on 21 November 2024 at the Gala Ceremony at The Kempinski Central Avenue, Dubai.
